**IN THE UNITED STATES BANKRUPTCY COURT
DISTRICT OF UTAH**

IN RE: DAVID M. McKAY and SHALECE McKAY,	Bankruptcy Case No. 11-35951 WTT
---	---

Debtor(s).

Chapter 13

APPLICATION FOR ALLOWANCE OF ATTORNEY'S FEES

The Applicant, Robert A. Eder Jr., attorney for Debtors David M. McKay and Shalece McKay, applies for approval and allowance of the attorney's fees and costs set forth below, to be paid by the Chapter 13 Trustee as an administrative expense. This application is based upon the following reasons:

1. Applicant is the attorney for Debtors in the above Chapter 13 bankruptcy case.
2. Applicant is a member of the Utah State Bar in good standing and is duly authorized to practice law in this Court.
3. Applicant seeks compensation for professional services rendered and for reimbursement for actual and necessary costs and expenses incurred by Applicant in connection with Debtors'

Motion to Authorize Sale of Real Property, Reduce Claim No. 12 in Favor of Bank of Camden to Zero, Authorize Employment of Real Estate Agent, and Award Attorney's Fees that was filed on April 1, 2015. All of the services were performed on behalf of the estate and were ordinarily and necessarily rendered in this case.

4. Applicant has agreed with Debtors to bill his fee for professional services in these matters at the rate of \$250.00 per hour.

5. The professional services rendered and the costs incurred by Applicant are set forth in Exhibit "A", which is incorporated by reference.

6. All professional services set forth in Exhibit "A" were performed by Applicant, and there is no agreement for a division of compensation between Applicant and any other person or entity. Furthermore, Applicant does not hold any interest adverse to Debtors or the estate.

7. All professional services rendered and costs incurred in this matter have been reasonable and necessary and the fees incurred are comparable to like services rendered by other attorneys and law firms in this community.

8. Applicant believes that the services rendered to date have benefitted Debtors and the estate, and the fees and costs are fair and reasonable.

For the above reasons, Applicant requests that he be awarded compensation for services rendered and costs incurred in the amount of **\$798.72**, to be paid as a priority administrative claim by the Chapter 13 Trustee from the funds deposited with the Chapter 13 Trustee.

Dated April 26, 2015.
